Utilisation of Fund under SCA

4381. SHRI SANATAN BISI: Will the Minister of SOCIAL JUSTICE AND EMPOWERMENT be pleased to state the details of incentives and disincentives that have been introduced by this Ministry to ensure full utilisation of funds allocated under the Special Central Assistance?

THE MINISTER OF STATE OF THE MINISTRY OF SOCIAL JUSTICE AND EMPOWERMENT (SHRIMATI MANEKA GANDHI): A system of incentives and disincentives for States/U.T. Administrations was introduced by Ministry of Welfare (now Ministry of Social Justice & Empowerment) w.e.f. the financial year 1994-95 and 1995-96 in respect of the schemes of Special Central Assistance to Tribal Sub-Plan and Special Central Assistance to Special Component Plan respectively to ensure full utilisation of funds allocated under the two schemes. Under this system, if any State/U.T. Administration does not utilise the entire SCA allocated to it during the year as per reports available with the Ministry at the end of the second quarter of the subsequent year, then an amount equivalent to the unspent balance available with the State Govt. at the commencement of the subsequent year would be deducted from the amount due to the allocated to that State for the subsequent year. Thus, the total sum, which would be deducted from the amount due to various defaulting States, would be distributed as per norms amongst the States/UT Administrations which have utilised the total SCA in full as per reports available on the cut-off date. However, according to the recommendation of the Standing Committee on Labour & Welfare (1996-97) (Eleventh Lok Sabha) in their Second Report on Ministry of Welfare, Demands for Grants (1996-97) this was withdrawn. But the instructions of Ministry of Finance, Department of Economic Affairs issued vide their O.M. No. F. 2(23)-B (CDN) 95 dated 10.2.95 according to which the unspent balances may be adjusted in the further grant/assistance to be provided are being followed while releasing funds to States/U.T. Administrations.
